

EU DECLARATION OF CONFORMITY

Manufacturer:

DaviLot

Weerdsлаг 18

7206 BR Zutphen

The Netherlands

Product: Quinder 8" BLDC Hub Motor

Model / Type: HT-YHCRXXXXSXXXX-041

Article number: 10101027

Rated voltage: 48 V DC

Rated power: 550 W

Product description: Brushless DC hub motor intended for professional integration into (agricultural) machinery and equipment.

**Declaration**

This declaration of conformity is issued under the sole responsibility of the manufacturer.

The product described above is in conformity with the following applicable European Union legislation:

Directive 2011/65/EU (RoHS)

Restriction of the use of certain hazardous substances in electrical and electronic equipment,

including:

Commission Delegated Directive (EU) 2015/863

The following harmonised standard has been applied:

EN IEC 63000:2018

Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

OEM integration

The product is supplied as an OEM component for professional integration into machinery or equipment.

The motor requires an external electronic motor controller for operation. This declaration does not cover the electromagnetic compatibility (EMC) of the motor in combination with a motor controller, power supply, wiring, control devices or the final machine.

The manufacturer or system integrator of the final equipment is responsible for assessing the conformity of the complete installation or machine with all applicable European Union legislation, including electromagnetic compatibility requirements where applicable.
